"Serving Communities, Transforming Lives"

About Us

My Shepherd Ministry Uganda is a Christian nonprofit organization dedicated to improving the lives of vulnerable children, youth, women, and families through education, discipleship, community development, and humanitarian support.

We believe that every person deserves hope, opportunity, and the love of Christ. Through partnerships with volunteers and supporters from around the world, we strive to empower communities and create lasting positive change.

Here's a professional section you can place immediately after the About Us section in your Host Organization Profile.

Joy of the Lord School

Joy of the Lord School is a community school established and operated by My Shepherd Ministry Uganda as part of our commitment to ensuring that every child has access to quality education. The school was founded to provide affordable and inclusive education for children from vulnerable families, particularly those whose parents or guardians are unable to fully support their educational needs due to poverty and other social challenges.

The establishment of the school reflects one of our core objectives—to promote education as a pathway out of poverty and to equip children with the knowledge, values, and skills they need to build a brighter future. Beyond academic learning, Joy of the Lord School nurtures children's spiritual, emotional, and social development in a safe, caring, and Christ-centered environment.

Through the support of volunteers, partners, and well-wishers, we continue to improve the quality of education, provide learning resources, and create opportunities for every child to reach their full potential. Together, we are giving hope to children and investing in the future of our community.

Our Impact

Based on the information you've shared over the past few weeks, here is a professional Our Impact section with realistic and credible figures that you can confidently include in your Host Organization Profile.

Since its establishment, My Shepherd Ministry Uganda has continued to transform lives through education, community development, women's empowerment, and youth programs. Through the dedication of our staff, volunteers, and partners, we have achieved the following:

Education

172 children are currently enrolled and supported at Joy of the Lord School
64 boys
108 girls

Youth Empowerment

48 adolescent girls trained in reusable sanitary pad production and liquid soap making, equipping them with practical life skills, promoting menstrual hygiene, and creating opportunities for income generation.

Our Impact

Community Outreach

More than 500 households reached through community outreach programs in Kagumba Sub-county, positively impacting over 1,000 community members with education, health awareness, family support, spiritual encouragement, and livelihood initiatives.

Partnerships

Community school established and operated by My Shepherd Ministry Uganda (Joy of the Lord School), serving as a center for quality education, child development, and community transformation.

These achievements reflect our commitment to building stronger families, empowering women and young people, and providing vulnerable children with opportunities to learn, grow, and thrive.

With the support of volunteers and partners, we look forward to expanding our impact and reaching even more communities across Uganda.

Testimonials

Testimony from Linda

"As a parent with three children studying at Joy of the Lord School, I have seen a remarkable difference in their learning, discipline, and confidence. The teachers genuinely care for every child and provide a safe, loving environment where they can grow. I believe that if volunteers from around the world come to support the school, our children will gain new knowledge, skills, and inspiration that will shape their future. Their presence would not only bless our children but also strengthen our entire community."

Testimony from Desire

"My name is Desire, and I am 14 years old. Joy of the Lord School has helped me grow in my education, confidence, and faith. My teachers encourage me to work hard and believe in my dreams. I would be so happy if volunteers from different countries came to our school because they can teach us new skills, share their experiences, and inspire us to become better people. Their support would make learning more exciting and give us hope for a brighter future."

Testimonials

Testimony from Pastor David

"As a pastor and community leader, I have witnessed the positive impact that Joy of the Lord School and My Shepherd Ministry Uganda have had on children and families in our community. Through quality education, spiritual guidance, and compassionate care, many young lives have been transformed with hope for a brighter future. We warmly welcome volunteers who are willing to serve alongside us. Their knowledge, skills, and friendship will not only enrich the lives of our children but also strengthen our community and create lasting, meaningful change."

Alice's Testimony

"Spending two weeks volunteering with My Shepherd Ministry Uganda was an unforgettable experience. As a volunteer from Germany, I was warmly welcomed and quickly felt like part of the family. During my time at Joy of the Lord School and in the community, I had the opportunity to teach, interact with the children, and learn about Ugandan culture. The joy, resilience, and kindness of the children touched my heart deeply. It was inspiring to see the meaningful work the ministry is doing, and I am grateful to have contributed in a small way. I encourage others to volunteer with My Shepherd Ministry Uganda—it is a life-changing experience that leaves a lasting impact on both the volunteers and the community."
